ABC and San Diego Law Enforcement Arrest 86 Individuals at Super Cross Event Arrests Involve Underage Drinking Violations including Minors Possessing Alcohol

San Diego - On Saturday, February 11, 2012, Investigators from the San Diego District Office of the California Alcoholic Beverage Control coordinated a multi-agency alcohol enforcement operation and worked in conjunction with multiple law enforcement agencies at Qualcomm Stadium's Super Cross event.

ABC Investigators from San Diego, San Marcos, Palm Desert, Riverside and Santa Ana district offices, and the ABC Grant Assistance Program Unit and Special Operations Unit worked with officers from the San Diego Police Department, San Diego Sheriffs Department and San Diego State University Police Department. Together, police arrested 86 individuals for alcohol and other related offenses including possession of illegal drugs during the one-day event.

The operation consisted of 48 plain-clothes officers who monitored activities at the event and found alcohol-related violations including minors in possession of alcohol and minors consuming alcohol.

The operation was organized to increase safety and take appropriate action on any alcohol-related violations during the annual Super Cross event held at Qualcomm Stadium.

For additional information, contact District Administrator Jennifer Hill at the San Diego District Office at 619/525-4064.
