From September 11, 2017, through September 22, 2017, in counties where such licenses are available, applications for new original on-sale general and off-sale general licenses will be accepted at District and Branch offices. During the same period, priority applications will be accepted for the inter-county transfer of on-sale general and off-sale general licenses, as authorized.

Only one priority application will be accepted from any one applicant per county for each type of license. A fee of **\$13,800** is to be paid when filing an application for a new original general license and a fee of **\$6,000** is to be paid when filing a priority application for the inter-county transfer of a general license. Only a certified check, cashier's check or money order will be accepted for payment of the application fee, which should be made payable to *Alcoholic Beverage Control*.

If the number of applicants within a county for a particular type of license/transaction is equal to or less than the number of licenses available, all applicants will be notified that they have 90 days to complete a formal application for their specific premises.

If the Department receives more applications than there are licenses available, a public drawing will be held. To participate in such a drawing, an applicant must have been a resident of California for at least 90 days prior to the date of the scheduled drawing. Successful drawing participants will be notified that they have 90 days to complete a formal application for their specific premises.

Unsuccessful drawing participants will be automatically refunded their application fee (minus a \$100 service charge) within 90 days of the priority drawing, but will retain their priority ranking until a new priority list is established in 2018.

Applicants are encouraged to file their applications early in the filing period to avoid a lengthy wait.

In the coming weeks, additional information and instructions regarding application for original and inter-county transfer of general licenses will be made available on the Department's website at (<http://www.abc.ca.gov/>) and at District and Branch offices (www.abc.ca.gov/distmap.html).
