## **ABC Revokes License of the ES Oriental Food Market in Fresno**

*No new ABC license can be issued at the business location for at least one year*

**(Fresno)** –The California Department of Alcoholic Beverage Control (ABC) has revoked the alcoholic beverage license of the ES Oriental Food Market located in Fresno. The license was revoked because of violations involving receiving stolen property, possession of controlled substances for sale, the sale or transfer of a firearm without a license, possession of distilled spirits without a proper license and unauthorized use of California Electronic Benefit Transfers (EBT) benefits. No new ABC license can be issued at the business location for at least a one-year period. This enforcement action is a result of investigative efforts by the ABC and the Fresno Police Department.

ABC protects communities through education and by administering prevention and enforcement programs designed to increase compliance with California's alcoholic beverage laws.
