FOUR ARRESTED DURING ABC OPERATION

(Santa Maria) – Investigators from the California Department of Alcoholic Beverage Control (ABC) arrested four suspects on May 8, 2009 during a Decoy Shoulder Tap Operation in the City of Santa Maria.

The Decoy Shoulder Tap program targets adults who purchase alcohol for people less than 21 years of age. Under the program, a minor under the direct supervision of a peace officer will stand outside a liquor or convenience store and ask patrons to buy them alcohol. The minor indicates in some way he or she is underage and cannot purchase the alcohol. If the adults purchase alcohol for the minor decoy, the peace officers arrest and cite them for furnishing alcohol to the minor.

The penalty for furnishing alcohol to a minor is a minimum \$1,000 fine and 24 hours of community service.

ABC is conducting these operations state-wide to reduce the availability of alcohol to minors and increase safety for persons under the age of 21. The enforcement is part of Operation Save a Teen, a national effort launched by the National Liquor Law Enforcement Association (NLLEA) during the month of May. During the operation 25 adults were contacted by minor decoys and 4 agreed to illegally buy alcohol for the decoys.

According to the American Medical Association, underage drinking can increase chances of risky sexual behavior and teen pregnancy, juvenile delinquency, compromise health, and result in unintentional injury and death.

ABC is a department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Dale E. Bonner, a member of the Governor's Cabinet.
