ABC and Local Law Enforcement Issue 47 Citations

Grant from U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention Funds Operations

Sacramento – The California Alcoholic Beverage Control (ABC) and local law enforcement agencies issued 47 citations in 15 separate underage drinking enforcement operations on or near California college campuses in February and March. ABC and local police utilized funds from a \$356,400 grant awarded to ABC by the United States Department of Justice's Office of Justice Programs (OJP). The focus of the grant program is to combat alcohol-related problems on or near college campuses throughout California. The award was made through the Enforcing Underage Drinking Laws (EUDL) program, which supports activities in law enforcement, public education programs, and innovative methods for reaching youth.

This grant authorizes enforcement of underage drinking laws during college events such as pledge week, graduation, sporting events, fraternity/sorority parties, and any other college related functions.

ABC conducted 15 operations on or near college campuses in February and March, 2011. During these operations, officers issued 47 citations for various underage drinking violations including open containers, minors in possession, drunk in public, sales to a minor, false identification and furnishing alcohol to minors.

The grant program covers a two-year period and was awarded to ABC by the Federal Office of Juvenile Justice Delinquency and Prevention (OJJDP) to pay overtime for ABC Investigators. The goal is to increase safety and reduce the availability of alcohol to minors on or near college campuses.

The grant supports a wide range of activities including compliance checks of retail alcohol outlets to reduce sales to minors, crackdowns on false identification, programs to reduce older youth or adults from providing alcohol to minors, "party patrols" to prevent access to alcohol at large youth gatherings, and "cops in shops" to deter minors' attempts to purchase alcohol.

The EUDL grant program activities will run through, May, 2012. ABC is a department of the Business, Transportation and Housing Agency.
