ABC Investigators Post Suspension Notice at Store in Soledad

ABC Cracks Down on Alcohol-Related Crime

Salinas - On May 16, 2013, Agents from the California Alcoholic Beverage Control suspended the alcoholic beverage license of the Soledad Valero store located at 100 Front Street in Soledad.

The license is suspended for an indefinite period of time because the store sold alcohol to minors three times in the past three years. The location cannot sell alcohol until the owner transfers the ABC license to a new owner acceptable to the ABC and the City of Soledad. The owner has 6 months in which to transfer the license.

“This action is part of an ongoing partnership with local law enforcement to reduce crime and help keep young people safe,” said ABC Salinas District Administrator Karyn Nielsen.

ABC is a Department of the Business, Transportation and Housing Agency.
