## **ABC Arrests Vallejo Store Owner for Receiving Purported Stolen Property**

**Vallejo, CA** - On August 12, 2016, Agents with the California Department of Alcoholic Beverage Control (ABC) concluded a month-long undercover operation at J&R Gas and Mini Mart located at 850 Sereno Drive in Vallejo. The owner was arrested for a felony count of receiving purportedly stolen property.

Acting on information about the business from an allied agency, ABC agents sold purportedly stolen liquor to the owner while inside the store on several occasions. On the final visit, the owner bought multiple bottles with an estimated retail value of over \$2,000. During the arrest, Agents recovered some of the previously purchased bottles and determined they were being offered for sale at the business.

In addition to the criminal charges facing the store owner, the ABC will seek administrative action against the alcoholic beverage license held there, which could lead to suspension or revocation of sale privileges.

ABC is a Department of the Business, Consumer Services and Housing Agency.
